## ...Grace Group Guidelines...

1. 📖 **God's Word is our standard.** We'll use the Bible - not personal opinion, popular teachers, or church tradition - as our guide for everything. We are using the New English Translation (NET) Bible for this study, but you can use any trustworthy Bible translation (not a paraphrase) to study from.
2. 🕊️ **We come from varying religious & political backgrounds.** Remember: 'In essentials, unity; in non-essentials, liberty; in all things, charity.'
3. 🚫 **Avoid commentaries or study notes in your Bible** – do your own thinking. Trust God, pray, ask for wisdom then read and answer on your own.
4. ❤️ **We're all learning.** Be gracious and patient with yourself and with others. Leave room to learn and be humble to re-learn and grow.
5. 🗣️👍 **This is a Bible study** – not a personal-opinion group. So, there are going to be "right" and "wrong" answers in keeping with the truth of God's Word.
6. 👤 **Share or Listen.** You don't have to share, but if you did the reading and responded to that prompt, why not chime in? We all benefit from one another's thoughts and questions. I bet you have something great to share!
7. 🏠 **Done or Not Done...Come.** Didn't finish the study this week? That's ok. Life gets busy. You're here! Yay, you! This will be a good week for you to listen and be encouraged by others.
8. ⌚ **Be considerate.** Share your thoughts and allow time for others to do the same - limit yourself to about 2 minutes maximum. Your group leader will help with that.
9. 🙏 **Pray.** Pray when you arrive, while you're in Grace Groups, during teaching time. Pray for your understanding to grow. Pray for your Grace Group leaders. Pray for one another. Let's be women who go to the Father for one another and seek His face together.

## ... Grace Groups ...

1. Share something you did over the break.
2. What's your favorite holiday movie? What do you love about it?
3. Share something you learned during the first session of this Bible study.
4. Read #4 from the Grace Group Guidelines on the previous page. Bible study might be new to you or perhaps you've done Bible studies before, either way, what does it mean to you that "we're all learning" when it comes to Bible study?
5. The heart of this study is that we would dwell in God's Word - not just "do" Bible study. What does that look like in your daily Bible study routine?
6. We'll be continuing our study through the life of Moses. Some passages will be familiar and others will be new. - and some of the least familiar - Leviticus through Deuteronomy. What do you know already about Moses? What do you know already about Leviticus, Numbers, or Deuteronomy?
7. How can your Grace Group leader best support you in your growth and Bible study understanding?
8. Our Grace Group will be a place for you to learn, share, grow, and care together. What qualities are you are looking for in a Bible study group? What makes Grace Group time the best? What can make it uncomfortable or difficult?

## ...My Heart to Yours...

Did one of these make your list? The top three new year's resolutions this year are...

1) Get Healthy/Lose Weight... 2) Save Money... 3) Read more books  
tying for 4<sup>th</sup>: floss and declutter.

Year after year, they're the same. Resolutions are as old as mankind. In fact, the oldest Psalm in the Bible was written by Moses has a resolution, and while flossing didn't make his list, here's what did:

**"Teach us to number our days that we might have a heart of wisdom."**

Wow. What if that was our resolution this year?

What if, in front of the diet plans or workouts, reading books or flossing, we made our resolution to ask God to give us wisdom in what we all already know...life is short. Days fly by. In no time we'll see Valentine's then 4th of July then Halloween décor up and we'll be back here in 365 days remarking at how quickly it all went.

What if this was the year we had wise hearts? How do we do that? Ask God to teach us to number our days. Then...Let today be the day that we pray that we would be the kind of people that Moses wrote about 5000 years ago when he said,

**"Satisfy us in the morning with God's unfailing love."**

Each day, rather than being dissatisfied by our lives because we're comparing them to what we see portrayed online or what we have projected in our minds, we awoke satisfied by the most important thing: **God's unfailing love.**

What if in 365 days we all could look back on this year and while we may be healthier or smarter or have shinier flossed teeth we will be the people who as Moses said,

**"...have seen God at work...have seen his glory."**

So, while the new year just a few days in...

Let's remember that our days are like grass, but God's purposes stand forever.

Let's thank God for what he has done and pray God's blessing on every hour ahead of us.

Let's be the people this year who pray like Moses:

**"Let the favor of the Lord my God be upon me, and establish the work of my hands"**

We'll surely look back over the next 12 months with no regrets only praise and contentment for what God has accomplished. Here's a prayer to begin your year...

Heavenly Father, as weak and fickle as I can be, You love me and patiently provide for me. You have been my shelter, my home, my hope this year. I have not always looked to You first, in fact, I've often panicked and lost sight of You. But You have been there and I thank You. I bring my heart and my life to You in this moment and I ask You to forgive me for my lack of faith. I thank You for the blessings in my life. I want to be the kind of person that realizes the brevity of life. Teach me so I can grow in wisdom. Satisfy me each morning with Your love. Give me a supernatural love for You and a longing for Your will to be done. Keep me from selfishly pursuing my own desires and help me see what You want. Bless my efforts this year as they serve You and Your purposes. Amen.

Eyes on Him,

 Jennifer

## Memorize & Meditate

### ...Dwell in the Word...

- Pause & Pray:** Pray for all those in your Grace Group as we begin this lesson together.
- Memorize & Meditate:** Write Deuteronomy 6:4-5

### ...Read & Engage...

- Scripture references are generally from the New English Translation or New International Version.
- Use a translation – not a paraphrase - to study the Bible. Refer to the introduction for recommendations
- Avoid commentaries and the study notes in your Bible; use cross references instead.
- IMPORTANT: If you didn't hear the previous message, please be sure to listen/or watch that. We covered some helpful information that you'll really be blessed by! Watch on YouTube.com/c/JenniferRichmond or any podcast player search: The Dwelling Richly podcast

1. **Memorize & Meditate:** Write Deuteronomy 6:4-5 in the "Memorize & Meditate" box at the top of this lesson. This is our theme verse for the entire study.
2. **Pause and Pray.** Ask God to help clarify your purpose as you begin. Ask for wisdom and understanding. Ask God to help you be disciplined and focused and to overcome any obstacles in completing this study. Write 2 goals for this Bible study:

1)

2)

3. **What I already know...** Write down 5-8 things you already know about the books of Leviticus, Numbers, or Deuteronomy. It's ok if you don't know anything at all. Just write down what you think you already understand – names, concepts, key words, etc.

# Lesson Six Day Two

---

**4. Remember Moses.** Moses wrote the first five books of the Bible: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy along with at least one Psalm. Based on your reading/study through the previous lessons, how would you describe Moses in each of these seasons of his life? Write a brief summary from each passage focusing on Moses and what or who he faced. *Note: If you're new to this study, please read these passages so you have a sense of Moses in these seasons.*

1) Exodus 1-2

3) Exodus 16-31

2) Exodus 3-15

4) Exodus 32-40

**5. Reading Moses, Seeing Jesus.** We have the advantage of reading Exodus-Deuteronomy from this side of history - the birth of Jesus, His life, death, and resurrection. This gives us a more complete picture and deeper understanding. Think of one encounter that Moses had with God and how this shaped his faith and leadership.

**6. Saved & Set Apart:** The theme of the study is "Saved & Set Apart." This is exactly what we saw happen in the first half of this study. God saved then set apart His people. What were they saved from, and in what ways were they set apart?

# Lesson Six Day Three

Memorize & Meditate

## ...Dwell in the Word...

- Pause & Pray:** Ask God to give you a **clear, focused** mind as you dwell in His Word.
- Memorize & Meditate:** Write the verse in ALL CAPS.
- Simply Read:** Leviticus chapters 10-27; Numbers chapters 1-6; 11-12 - Before the break, we read Leviticus 1-9 and Numbers 7-10. Review these passages if you need to, or begin where we left off and follow the outline as noted.  
**Reminder:** The overview days are intended to be a simple reading. We will be dwelling deeper in each of these passages in the weeks to come. Simply read and make one or two notes using the prompts provided.

Deuteronomy 6:4-5 is known in Jewish tradition as the "Shema." The entire Shema is several verses and continues into chapters eleven and Numbers 15.

It is one of only two prayers that are commanded in the Torah to be prayed and is the oldest daily prayer in Judaism. Jesus would have recited the Shema morning and evening.

As we've spent the past several days reviewing the opening of the Shema today is a good day to think about these significant words again.

We opened Lesson One of this study with a focus on the Shema, and I thought it would be appropriate for those of you continuing the Saved & Set Apart study to revisit your Create & Share from Lesson One and for those just now joining the study (or perhaps didn't begin with Lesson One) you can also Create and then Share what God is showing you as you've memorized this passage.

The image here is from the Knesset Menorah in Jerusalem. The inscription in Hebrew reads simply: "Shema Y'srael"

Think about the significance of those words and the words - the command - that follows.  
You've written it each day and hopefully memorized the words.

On the next page write or draw what it means in your life today to obey this simple and fundamental command as a child of God, adopted into the family of God and a part of Israel - what does "Shema Y'srael" mean in your life today
